Proposed Change

- A. COMMITTEE APPOINTMENTS - The President shall appoint all committee chairperson and shall do so at the discretion of the Board of Directors.
- B. COMMITTEES – Committees will be appointed as needed.

Rationale for the reduction in the number and scope of committees in Article VIII--Committees:

Current membership needs and size make unnecessary onerous standing committee duties, thus committees will be reorganized as select committees to meet as circumstances require. Committee members, including the committee chairperson, will be appointed by the President of the Board of Directors with the advice and consent of the remaining officers of the Board of Directors.
